## January - March 2019 Newsletter

Dear Quilters,

What do we all wish for in 2019? I've heard people say: quality family time, health, peace, and prosperity....I would like to also add time. It seems we all lead such busy lives. Wouldn't it be great to have more time to dawdle in the morning over a cup of coffee with friends, or more time to linger on a walk looking at flowers, birds, nature, etc, or more time to quilt? That's what I'm getting at.....quilting. I've heard so many quilters say they would like more time to quilt. I guess we need to make time, we can't wait for time to happen. Some gals tell me if they just sneak in even 20-30 minutes a day, it is very therapeutic for them. Sounds like a great goal!

You will find ongoing and new classes for January - March. Once again, you will find several new classes to choose from. To name a few: Amish With A Twist IV BOM, Judy Niemeyer's new Technique of the Month: Dinner Plate Dahlia, 3 or 4 classes using Gudrun Erla's newest ruler, book and patterns, Knit & Purl - yes- a knitting class, and a Getting Ready for Christmas 2019 project! (*Or make it a non-Christmas project using colors other than red and green.*)

As I always write in my newsletter because it's so true: *you are all fun, friendly and fantastic women! (And men-you are too!)* I sincerely thank you for attending classes and shopping at Mt. Pleasant Quilting.

Sewingly,  
Barb

**Get Ready for Christmas 2019 -Strippy Forest NEW CLASS**

*Wednesday, March 6th & Tuesday March 26th, 10:00 - 3:00*

Gudrun Erla from GE Designs just released her new book: "Stripology Mixology" about the 2nd week in December. Barb fell in love with a Christmas pattern in this book (*only 1 of them is Christmas*) because she loves trees in quilts. You can choose from 5 sizes: tablerunner, wall, lap, full or king. Gudrun is also the designer of the Stripology Ruler. Barb loves this ruler- you have to become familiar with it and you find yourself using it all the time to do your cutting. There are many strips to cut for this quilt, but the Stripology Ruler gets the job done in no time. We will be teaching two other quilts from this book so it makes it a worthwhile buy. Just think - you will have one project all done for Christmas 2019! On the other hand, you don't have to do it in reds and greens as I did, but in your own color scheme for a non-Christmas project. There will be no pre-class cutting as Barb wants you to learn how to use the ruler in class. Kits available.
