

T-Shirt Quilt Class Supply List

Pre-Class Preparation

T-Shirts – select 12-15 shirts with motifs that are similar in size with a variety of color to add interest. Machine wash all t-shirts prior to class, DO NOT use fabric softener. We will cut the shirts apart during our first class.

Interfacing – use a light to medium weight Pellon #911 fusible interfacing. Bring to first class.

Fabric 1, 2 and 3 – we will discuss these fabrics in our first class.
